**JURY TRIAL AND JURISDICTIONAL ACKNOWLEDGMENTS AND CONSENTS**

The parties acknowledge and consent to the following:

1. No party has timely demanded a jury trial.

\_\_\_\_\_ has (have) timely made an election to trial by jury and has (have) filed a motion to withdraw the reference.

\_\_\_\_\_ has (have) timely made an election to trial by jury and has (have) not filed a motion to withdraw the reference.

2. As evidenced by their signatures below, each party consents to entry of final orders and judgments by this Court on any issue in this adversary proceeding, whether or not designated as "core" under 28 U.S.C. § 157(b).

\_\_\_\_\_ does (do) not consent to entry of final orders and judgments by this Court on any issue in this adversary proceeding, whether or not designated as "core" under 28 U.S.C. § 157(b), and agree (agrees), not later than \_\_\_\_\_ (60 days before trial date), to file with this Court a motion requesting that this Court determine whether this proceeding is a core proceeding or otherwise subject to the entry of final orders or judgments by this Court (if the trial date is subsequently continued by order of this Court, this deadline

**shall not** be enlarged or extended a similar length of time). Any such motion shall be treated as an objection to the entry of final orders or judgments by this Court. **Failure to file a motion for withdrawal of the reference on or before (60 days before trial) will cause the issuance of a show cause order.** Nothing in this paragraph limits the Court's ability to determine *sua sponte* whether this proceeding is a core proceeding under 28 U.S.C. § 157(b)(3) or otherwise subject to entry of final orders or judgments by this Court.
