Electronically filed pleadings and Documents requiring original signatures, other than the signature of the Registered Participant, must be maintained in paper form by the Registered Participant until two (2) years after the later of the running of the appeal time or closing of the bankruptcy case.

PART I. COMMENCEMENT OF CASE; PROCEEDINGS RELATING TO PETITION AND ORDER FOR RELIEF

RULE 1002-1 PETITION – GENERAL

A. Specific Requirements.

1. The petition shall conform to the current [Official Forms](#).
2. If the debtor is an artificial entity, a certified copy of the entity action authorizing the filing of the petition shall be attached to the petition. All artificial entities, including, without limitation, corporations, partnerships, and limited liability companies, may only appear through, and must be represented by, counsel at all times.

RULE 1005-1 CAPTIONS

The caption of Documents filed with the Court should comply with the appropriate [Official Form\(s\)](#). Every case and adversary proceeding number must be followed by the letters which designate the Judge to whom it is currently assigned. The Chapter under which a case proceeds should be shown below the case number.

RULE 1006-1 FILING FEE

A. General Requirement. All fees must be paid on the calendar day on which the transaction requiring a fee occurs. Electronic filers are required to pay filing fees on time through the ECF system by credit or debit card, or Automated Clearing House (ACH). Payments from electronic filers for fees that can be made through ECF will not be accepted by the Clerk outside of ECF and its related payment programs, unless a technical failure prevents the filer from paying electronically. If a fee is not timely paid by a registered attorney, the attorney's access to the ECF system shall be deactivated until all fees have been paid. If a filing fee is not timely paid, the pleading or Document may be stricken without further notice or hearing. Any Document presented for manual filing without proper provision for payment of the filing fee shall not be accepted for filing by the Clerk. Any petition for relief presented for paper filing without proper provision for payment of the filing fee shall not be accepted for filing by the Clerk unless the petition is accompanied by an application to pay filing fee in installments, prepared as prescribed by the appropriate [Official Form](#), or an application requesting a waiver under 28 U.S.C. § [1930\(f\)](#), prepared as prescribed by the appropriate [Official Form](#), both of which must be separate from the petition. A trustee may, upon proper notice, defer the payment of fees. Trustees shall remit fees owed by the estate to the Court as Automated Clearing House (ACH) transactions. See [Local Form 1006-1](#).

1. **Manner of Payment.** Payment of filing fees, administrative fees, and other scheduled fees shall be made by a non-electronic filer by cashier's check, money order or electronically through Pay.gov form payment. Pay.gov form payments allow for the acceptance of debit cards, Automated Clearing House (ACH), PayPal deposited funds, and credit cards from someone other than a debtor. Negotiable instruments shall be made payable to "Clerk, U.S. Bankruptcy Court,"

except checks shall not be accepted from debtors. All payments shall be in the exact amount of such fees and charges.

B. Conversion; Amendment to Creditor List; Fee. In a Chapter 11, 12 or 13 case that is converted to a case under Chapter 7, no filing fee shall be required for filing the amendment to the creditor list required by Local Rule [1019-1.A](#) if the amendment is filed within fourteen (14) days following the entry of the order converting the case or notice of conversion.

C. Payment of Filing Fee in Installments. An application for payment of the filing fee in installments must provide for the filing fee to be paid in four (4) approximately equal installments. An application for payment of the filing fee in installments must be separate from the petition, must state the proposed installment payments and must be on the appropriate [Official Form](#). If the debtor in a Chapter 13 case proposes to pay the filing fee in installments, the filing fee must be paid in full prior to confirmation of the plan. An application for payment of the filing fee in installments is subject to the Court's approval.

D. Failure to Make Installment Payment. The Clerk is directed to give notice of a hearing to show cause upon failure to receive timely installment payments. The Clerk must give no less than ten (10) days' notice of the hearing to the debtor and counsel of record. If debtor, or counsel of record, fails to appear at such hearing or otherwise fails to show good cause why the case should not be dismissed for failure to pay filing fee, or fails to pay the entire balance of the fee owing at or prior to the hearing, the Court may dismiss the case, or otherwise dispose of it.

E. Priority of Payment. All fees and costs due and owing to the Clerk must be paid in full prior to payment of any interim professional compensation or other administrative expenses in a case except as specifically authorized by the Court.

F. Refund Policy. Attorneys are responsible to ensure that filing fees are paid correctly and accurately. If an attorney believes that a filing fee has been paid in error, the attorney **MUST**: request a refund of filing fees in the form of a written application along with a proposed order that is filed in the appropriate case. Overpayments of fees of \$25.00 or less will not be refunded by the court. A written application for a refund of the overpayment must be submitted within thirty (30) days of the overpayment.

G. In Forma Pauperis. An order granting an application to proceed in forma pauperis may be revoked and the filing fee paid by the Trustee to the Clerk in the event substantial assets are recovered. If the applicant paid any fees to an attorney or a bankruptcy petition preparer for assistance in the bankruptcy filing, the applicant is not eligible for an in forma pauperis application.

RULE 1007-1 LISTS, SCHEDULES AND STATEMENTS

A. Lists, Schedules and Statements. The Lists, Schedules and Statements shall conform to the current [Official Forms](#).

B. Ownership Statement. Any artificial entity, other than a governmental unit, that is a debtor shall file a statement that identifies all publicly held entities, other than a governmental unit, that directly or indirectly own ten percent (10%) or more of any class of the entity's equity interest, or states that there are no such entities to report. The ownership statement shall be made in a separate

Document ([Local Form 1007-1.B](#)) to be filed concurrently with the petition. A supplemental ownership statement shall be filed promptly to reflect any change in the information that is required to be disclosed.

C. List of Creditors. The creditor mailing list (“Creditor Matrix”) must comply with the Style Guide for Electronic Filing which is attached hereto as [Appendix A-1](#) of the [ECF Guidelines](#), as may be amended, and with the following formatting requirements:

1. Addresses. All addresses must be presented using only postal standard abbreviations as directed by the United States Postal Service in the publication “Postal Addressing Standards.” The two-letter state identifier as prescribed by the United States Postal Service must be used. All addresses must not contain punctuation such as periods or commas; a single space should be used in lieu of punctuation. Zip codes must appear only on the same line as the city and state. Do not place the zip code on a separate line. A hyphen shall be used if a zip+4 code is used.

2. Print Styles. The Creditor Matrix must be in 12 pitch and in all upper-case letters. Do not use light, bold, expanded, condensed, script, italics or other types of stylization such as shading.

3. Single Column. The Creditor Matrix must be typed in a single column, left justified on a two and one half (2 ½) inch left margin with no less than one (1) inch top and bottom margins.

4. Spacing. Each name and address must consist of no more than five total lines, with at least three blank lines between each name and address block.

5. Character. Each line must be no more than forty (40) characters in length. No special characters shall be used, except a hyphen in the zip code. A single space shall be used in lieu of special characters.

6. Attention Lines and Account Numbers. The person or departments to whom a notice should be routed shall be listed by name on the first line of an address block. Do not include the word “attention” or the phrase “in care of,” or any abbreviation thereof, as part of any line in an address block. Account numbers shall not be included on any line.

7. Duplicate Addresses. Do not list any entity twice at the same address, no matter how many accounts with, or claims against, a debtor an entity may have.

8. Stray Marks and Miscellaneous Information. Do not place page numbers on any page of the list. Do not print any type of header or title on any page of the list.

9. Verification. The mailing list and any amendment thereto must be verified, or accompanied by an unsworn declaration under penalty of perjury, as to

its accuracy and completeness, as required by Bankruptcy Rule [1008](#). See [Local Form 1007-1.C](#).

10. Filing and Uploading. The Creditor Matrix shall be filed in PDF format with the Petition. The Creditor Matrix must also be uploaded to the ECF System as a “.txt” Document with the petition. Pro se debtors must use the matrix program provided on the Court’s website and/or accessible at the public kiosks in the Clerk’s Office to compile and submit their list of creditors. Failure to timely upload the Creditor Matrix may result in the issuance of an order to show cause why the bankruptcy case should not be dismissed for such failure and setting a twenty-four (24) hour deadline to upload the creditor matrix or the case will be dismissed. Instructions for preparing the Creditor Matrix as a text Document are available on the Court’s website (www.okwb.uscourts.gov).

11. Amended Matrices. Any amendment to the Creditor Matrix shall be formatted as specified in this rule. An amended matrix shall include only the newly added or modified creditors. Filers must upload the new or modified creditor information to ECF. Pro se debtors must use the program provided on the Court’s website to upload the new or modified creditor information.

D. Payment Advices. Within fourteen (14) days of filing a bankruptcy petition, each individual debtor shall file a “Pay Advice Cover Sheet” ([Local Form 1007-1.D](#)), together with copies of all payment advices or other evidence of payment (such as paycheck stubs, direct deposit statements, employer’s statement of hours and earnings) received from the debtor’s employer within sixty (60) days before the date the debtor filed his/her bankruptcy case. The debtor’s social security number and any identifying account numbers shall be redacted from any pay advices. Self-employed debtors shall file employee income records in the form of income statements (i.e., monthly profit and loss statements). If a debtor has no income or has only social security or other retirement income or is a recipient of public benefits, the debtor shall submit [Local Form 1007-1.D](#), stating such facts. Failure to timely file [Local Form 1007-1.D](#) with supporting documentation shall constitute cause for dismissal of a bankruptcy case without further notice or hearing.

E. Privacy. With the exception of the debtor’s Statement of Social Security Number, the debtor and debtor’s counsel shall redact the following personal data identifiers from tax returns or transcripts, bank statements, payment advices and all other Documents before filing: all but the last four digits of the social security number; all names of minor children (use minors’ initials); all but the last four digits of any bank, savings or similar account numbers; and birth date except for the year. Filers shall use a redaction method that permanently removes information from the Document (i.e., Adobe Acrobat’s Redact Tool). The use of text boxes, highlights, or “commenting” tools do not permanently remove information from Documents; therefore, these methods do not meet the requirement that private information be redacted. The responsibility for redacting personal data identifiers rests solely with the debtor and debtor’s counsel. The Clerk will not review Documents for compliance with this rule, seal Documents containing personal data identifiers without a Court order, or redact such information from Documents, whether filed electronically or on paper.

F. Statement of Social Security Number. An individual debtor who is not represented by an attorney should submit, not file, a Statement of Social Security Number on the appropriate

[Official Form](#) to the Clerk at the time of filing the petition. When a case is filed electronically, the ECF System will allow for the manual input of the full social security number; however, the attorney of record shall file the Statement of Social Security Number in the ECF System as a separate Document from the petition and file it concurrently with the petition.

G. Taxing Authorities. Copies of the list of addresses of taxing authorities shall be made available by the Clerk upon request and are available on the Court's website (<http://www.okwb.uscourts.gov>).

H. Notice to Trustee. Any statement of intention respecting surrender or retention of property made under the provisions of 11 U.S.C. § [521](#)(a)(2)(A) must be served on the trustee and all creditors affected, with a certificate or affidavit of service complying with Local Rule [9007-1](#).

RULE 1008-1 VERIFICATION OF PETITION AND ACCOMPANYING PAPERS

Any petition, list, schedule or statement of financial affairs, or amendment thereto, that is filed more than fourteen (14) days after having been personally signed by the debtor or electronically signed by the debtor and the filing attorney shall be accompanied by a statement, verified by the debtor, or containing an unsworn declaration of the debtor, that no change in circumstances has occurred in the interim. If a Document is notarized, the signature of the notary can be an original handwritten or electronic signature. Additionally, the notary seal or stamp must be visible on the Document or the PDF of the Document.

RULE 1009-1 AMENDMENTS TO LISTS AND SCHEDULES

A. Cover Sheet. All amendments to the petition, statements, lists or schedules must have a cover sheet consistent with [Local Form 1009-1.A](#). The cover sheet must include a representation as to whether the amendment corrects, replaces, or supplements the previously filed Document and an explanation of the revisions being made. Cover sheets shall include the original handwritten or the electronic signature of the filing attorney or the original handwritten signature of the pro se debtor unless the pro se debtor submits the cover sheet electronically in which case an electronic signature is acceptable.

B. Schedule Amendments. Each time schedules are amended, an amended summary of schedules and statistical summary must be filed and should include, if applicable, revised amounts and totals to reflect the amendment made.

C. Signature of Debtor(s). All amendments must be verified or contain an unsworn declaration of the debtor to the same extent as was required of the original Document.

E. Notice to Creditors. If creditors are added to the schedules after the service of the notice of bankruptcy case, meeting of creditors and deadlines, the debtor shall give notice to each additional creditor of the commencement of the case and all applicable bar dates and deadlines and file a certificate or affidavit of service for such notice. See Local Rule [5005-1.D](#).

RULE 5005-1 FILING REQUIREMENTS

A. Electronic Filing and Limited Exceptions. All Documents submitted to the Clerk for filing, regardless of where or when the case or proceeding was originally commenced, shall be filed electronically pursuant to these Local Rules and the [ECF Guidelines](#), annexed hereto as [Appendix A](#). The foregoing shall not apply to (1) Documents filed by a pro se party; (2) proofs of claim or interest filed by the claimant or interest holder not represented by an attorney; or (3) reaffirmation agreements if neither party to the agreement is represented by counsel. If Documents are manually filed, the Clerk shall scan and upload the images to the ECF System. Items described in subsection (2) and (3) above may be filed electronically. The electronic filing of a Document in accordance with these Local Rules and the [ECF Guidelines](#) shall constitute entry of that Document on the docket kept by the Clerk under Bankruptcy Rule [5003](#). Pro se debtors can use [Electronic Self-Representation \(eSR\)](#) to file a petition and related documents electronically, and individuals not represented by an attorney can use the [Electronic Document Submission System \(EDSS\)](#) to file documents electronically.

B. Filing Fee. See Local Rule [1006-1](#).

C. Registration. Each attorney must register with the Court in accordance with the procedures set forth in the [ECF Guidelines](#) in order to file Documents electronically. Registered participants must obtain a login and password from PACER prior to registering with the Court to file documents electronically. Registered participants of the ECF System shall be responsible for maintaining current contact information in the ECF System. Failure to maintain current mailing addresses, email addresses and telephone numbers will result in deactivation of the attorney's ECF System login. The Court reserves the right to temporarily deactivate an electronic filer's login for failure to comply with the Local Rules, the [ECF Guidelines](#) and the user's electronic filer agreement and for failure pay filing fees. The Court also reserves the right to revoke an attorney's authority to file electronically, after notice and hearing, when an attorney has failed to comply with the Local Rules, the [ECF Guidelines](#) and the user's electronic filer agreement or has misused the ECF System.

D. Certificate or Affidavit of Service of a Document.

1. If all parties who are entitled to receive notice are served by the ECF System, no separate certificate or affidavit of service is necessary. The Notice of Electronic Filing created by the ECF System serves as the certificate or affidavit of service of a Document served electronically.

2. For parties not listed on the Notice of Electronic Filing who are entitled to receive notice and parties who are entitled to service pursuant to Bankruptcy Rules [9014\(b\)](#) and/or [7004](#), the party serving notice shall either include a certificate or affidavit of service in the Document certifying the date of service, the manner of service, and the names and addresses of the persons and entities served or file a separate certificate or affidavit of service containing the same information. If a separate certificate or affidavit of service is filed, the certificate or affidavit of service shall specifically identify the Document served and the docket number and the docket entry shall relate the certificate or affidavit of service to the Document served by docket number. See [Local Form 2002-1.G](#).

E. Privacy. A party filing a Document shall redact the following personal data identifiers appearing in any Document filed with the Court: names of minor children (use minors' initials); all but the last four digits of any bank, savings or similar financial account numbers; all but the last four digits of any social security number; and all birth date information except the year. Filers shall use a redaction method that permanently removes information from the Document (i.e., Adobe Acrobat's Redact Tool). The use of text boxes, highlights, or "commenting" tools do not permanently remove information from Documents; therefore, these methods do not meet the requirement that private information be redacted. The responsibility for redacting personal identifiers rests solely with the filing party. **THE CLERK WILL NOT REVIEW DOCUMENTS FOR COMPLIANCE WITH THIS RULE, SEAL DOCUMENTS CONTAINING PERSONAL DATA IDENTIFIERS WITHOUT A COURT ORDER OR REDACT SUCH INFORMATION FROM DOCUMENTS.**

F. Documents Under Seal. An order approving a motion to file a Document under seal shall (i) state that the record shall be sealed permanently (subject to an application and order granting a party in interest access to the sealed Document for good cause); (ii) specify a date when the order shall be vacated; or (iii) specify a date certain when the Court shall consider vacating the order. An order approving a motion to file a Document under seal must specifically state it is based upon representation of the moving party. Once an order has been obtained approving the filing under seal, the Document may be filed under seal by delivering the Document to be sealed to the Clerk. A cover sheet must be attached to the Document being filed under seal that includes a caption in accordance with Local Rule [9004-1.A](#) and the title of the Document being filed under seal. In addition, the cover sheet must contain the related docket numbers of the motion and order and the following statement in bold, "DOCUMENT TO BE FILED UNDER SEAL." The Clerk will docket the Document so that only the filing details and Document title will appear on the docket sheet. Any sealed Document must include an original handwritten signature. See Local Rule [1001-1.I](#).

G. Case Assignment - Random Selection. The division of cases will be made pursuant to workload parity guidelines established by the Judges. Case assignment will be made using a nonpublic system of rotation established and monitored by the Clerk. When a case is converted to a

Chapter 13 case, the Clerk is directed to enter a text order reassigning the case to the Judge hearing all Chapter 13 cases. When a case is converted from a Chapter 13 case, the Clerk is directed to enter a text order reassigning the case randomly.

H. Assignment of Related Cases. A case which is related to a previously filed petition shall be assigned to the Judge to whom the previously filed petition was assigned unless the subsequent case is a Chapter 13 case, in which case it shall be assigned to the Judge hearing Chapter 13 cases.

I. Repeat Filings. If the debtor has filed a bankruptcy case in the previous eight years, the Clerk shall reassign the case to the Judge to whom the previous bankruptcy case was assigned unless the case is a Chapter 13 case, in which case it shall be assigned to the Judge hearing Chapter 13 cases.

J. Judicial Recusal or Disqualification. If a Judge recuses, disqualifies, or is disqualified from hearing a case, the Judge will enter an order noting the recusal or disqualification and directing that the case be returned to the Clerk for random reassignment to another Judge. If all Judges have recused or have been disqualified from hearing a case, the Chief Bankruptcy Judge will request that the Chief Judge of the United States Court of Appeals for the Tenth Circuit assign a Bankruptcy Judge from another district to hear and decide the case.

Reopening or reassertion of the matter after disposition may be conditioned upon such terms as the Court may determine.

All properly supported material facts set forth in the movant’s statement shall be deemed admitted for the purpose of summary judgment unless specifically controverted by a statement of the non-movant that is supported by evidentiary material. If the non-movant contends that other material facts exist which preclude summary judgment, the non-movant shall set forth each such material fact in a separately numbered paragraph and shall refer with particularity to those portions of affidavits, discovery materials, Documents, and other relevant parts of the record before the Court upon which the non-movant relies. Affidavits, discovery materials, Documents, and other relevant portions of the record upon which the non-movant relies shall be attached to the brief. The paper used must be white in color.

B. Oversized Attachments. Documents which were drafted for another purpose, but which are tendered for filing in a case or proceeding as attachments, exhibits, etc., should be enlarged or reduced to conform to the size requirement in subsection A. of this rule, unless reducing the size of the Document will render the Document unreadable. If reducing the Document renders it unreadable, the filer must request leave to file a Document of non-conforming size.

C. Title. The title of any Document filed must clearly identify each and every request for relief, objection or other response being made therein.

D. Electronic Filer Signature Block. The signature block on every Document must conform with the filer's CM/ECF profile. When a Document is signed by an electronic filer, the electronic filer's full name, state bar number (if applicable), address, email address, telephone number, facsimile number (if applicable), and name of party or parties represented shall be shown on the Document beneath the signature line.

E. Debtor's Signature. When a Document is signed by a debtor, the debtor's name shall be signed as it appears in the style of the case, and the signature block shall include the debtor's address, email address, telephone number, and facsimile number (if applicable). See Local Rule [1001-1.I](#) and [Electronic Document Submission System Administrative Procedures \(EDSS\)](#) regarding signatures and electronic filing by debtors.

F. Street Address. If a party, including without limitation a debtor, uses a post office box to receive mail, the party must include a physical address, as well as the post office box, on all documents filed with the Court, unless otherwise ordered by the Court.

G. Service Through the ECF System. When a Document is filed electronically in accordance with these Local Rules and the [ECF Guidelines](#), the ECF System shall generate and email a Notice of Electronic Filing to the filing party and any other registered party who has requested electronic notice in that case or proceeding.

1. If the recipient is a registered user of the ECF System, the Clerk's emailing of the Notice of Electronic Filing shall be the equivalent of service of the Document by first class mail, postage prepaid, except in the case of a summons and complaint or other Document that must be served pursuant to Bankruptcy Rule [7004](#). See Bankruptcy Rule [9014](#)(b).

2. Service by electronic means is not effective if the party making service learns that the attempted service was not electronically delivered to the person to be served.

2. The date due without the requested enlargement or reduction;
3. The dates of any previous applications and the results thereof; and
4. A statement that the consent of the other parties in interest has been requested, whether such parties consent or object, and the identity of parties consenting or objecting or, if consent was not requested, the reason therefor.

A proposed order shall be uploaded contemporaneously with the filing of an application to enlarge or reduce time.

B. Continuances. All applications for continuances of hearings shall be in writing, shall state the cause for such request, and shall contain a statement that all other parties to the hearing have been contacted regarding the requested continuance and whether such parties consent or object. The application shall be filed no fewer than twenty-four (24) hours prior to the scheduled hearing date and time. If an emergency renders a timely application impossible, the application shall describe the emergency and shall represent that a timely application was impossible. Continuances are not favored by the Court, and the Court may, in its discretion, deny a request for a continuance notwithstanding consent to a continuance by all parties to the matter or proceeding. A hearing may be continued by the Court from time to time without further notice other than an announcement at the originally scheduled hearing of the date of the continued hearing.

C. Ex Parte Ruling. Requests described in subsections A and B of this Rule may be ruled upon *ex parte*.

RULE 9007-1 GENERAL AUTHORITY TO REGULATE NOTICES: SERVICE

A. When Service Required. Except as otherwise provided in these Local Rules, in the Bankruptcy Rules, or in an order of the Court, every Document required to be served must be served on each party in interest upon whom service is required by the Code or the Bankruptcy Rules.

Every certificate or affidavit of service must include (1) the names and addresses of all persons and entities served other than through the ECF System; (2) the date service was made; (3) the manner in which

service was made; and (4) the personal or electronic signature of the person making the certificate or affidavit, his or her typed name, address, telephone number, and if an attorney, state bar number. It is not sufficient to state that service was made on “all parties in interest,” “all interested parties,” “all ECF registrants” or the like. In cases where the certificate or affidavit of service would be inordinately long, the Court may provide exception to this rule pursuant to application and order.

E. Limitations on Service or Notice. No order shortening time for service or limiting notice of any request for relief shall be entered except upon a clear and specific showing, by affidavit, of the reasons why proceeding other than by notice as prescribed by the Bankruptcy Rules and this rule is necessary. The affidavit must state whether a previous request altering notice requirements has been made by the moving party in connection with the case.

RULE 9009-1 OFFICIAL FORMS

The motion shall include in the title “and Notice of Opportunity for Hearing,” and immediately below the title shall contain the following statement:

NOTICE OF OPPORTUNITY FOR HEARING

You should also serve a file-stamped copy of the

response to the undersigned [and others who are required to be served] and file a certificate or affidavit of service with the Court.

A completed request for admission *pro hac vice* form (promulgated by the District Court) with an original, not electronic, signature must be attached to the application when filed.

2. Contemporaneously with filing the application to appear *pro hac vice*, the movant shall either upload a proposed order authorizing *pro hac vice* appearance electronically or submit a proposed order to the assigned Judge.

3. The movant shall submit the necessary admission fee to the Clerk of the District Court.

4. Admission to practice in a bankruptcy case shall also serve as admission to practice in any and all adversary proceedings filed in the bankruptcy case, as well as any jointly administered or consolidated cases.

5. An attorney appearing *pro hac vice* is required to associate with local counsel as required by LCvR 83.3 of the [Local Civil Rules](#) of the United States District Court for the Western District of Oklahoma.

Repeated failure by attorneys and/or their staff to comply with the Local Rules and the [ECF Guidelines](#) shall result in the suspension of the subject attorney's privilege to practice before this Court until sufficient remedial training has been undertaken to the satisfaction of the Court.

RULE 9011-4 SIGNATURES

A. Electronic Filer Signature. The signature block on every Document must conform with the filer's CM/ECF profile. (See Local Rules [9004-1.D](#) and [9004-1.E](#)) Every Document electronically filed shall contain the signature of the electronic filer excepting only reports filed pursuant to Local Rule [2015-1](#). The electronic filer shall indicate a signature on each signature line by inserting "s/Jane Doe" or a scanned signature on each applicable line. Bankruptcy Rule [9011](#) applies to all Documents filed.

B. Effect of Electronic Filings. The electronic filing of a Document bearing the attorney's electronic signature and using an attorney's ECF login and password constitutes the signature of that attorney. The attorney signing the Document that is filed must match the identity of the attorney whose ECF System login and password was used to file the Document. Documents bearing the electronic signature of one attorney but that are filed using the ECF login and password of another attorney shall be stricken by the Clerk. One attorney cannot file a Document using another attorney's ECF System login and password.

For purposes of this rule, physical, facsimile, electronic signatures and other written authorizations are permitted. A Document may be signed in counterparts.

2. The filing attorney shall then file the Document electronically, indicating the signatures, e.g., “s/Jane Doe,” of all appropriate persons.

RULE 9013-1 MOTIONS

A. Request for Relief Defined. A request for relief other than one required to be commenced under Bankruptcy Rule [7001](#) may be made by application or motion only. An application is a request for relief which requires approval of the Court and may be granted *ex parte*. A motion is a request for relief which requires service, notice, and opportunity for hearing, unless made at a hearing as permitted by Bankruptcy Rule [9013](#).

B. Separate Requests for Relief. Unless otherwise provided by the Court, motions containing multiple requests for relief will not be permitted except for certain limited exceptions authorized by Paragraph 7 of the [ECF Guidelines](#). Similarly, affirmative requests for relief cannot be combined with an objection, response or reply to a motion or application except for certain limited exceptions authorized by Paragraph 7 of the [ECF Guidelines](#). If a motion containing multiple requests for relief or an objection, response or reply containing an affirmative request for relief is filed, an order may be entered striking the motion, objection, response or reply and directing the filer to file separate motions or a separate objection, response or reply and a motion containing the request for relief.

C. Brief Required. A motion, application or response must specify the point or points upon which it is based and must be accompanied by a concise brief, unless excepted by Local Rule [9013-1.I](#) or by the Court. A brief may be combined with the request for relief or response provided the title of the Document clearly so indicates. No brief longer than twenty (20) typewritten pages may be submitted without prior permission of the Court. Briefs exceeding fifteen (15) pages in length shall be accompanied by a table of contents showing headings or subheadings and by a table of authorities cited. [Note – the deadline set forth in the Notice of Opportunity for Hearing sets forth the specific response time regardless of the manner of service.] See Local Rule [2002-1.D](#).

E. Failure to Respond. Any request for relief which is not opposed within the applicable response period may be deemed confessed and the relief granted *ex parte* and without further notice. See Local Rule [9013-1.L](#).

F. Hearings. Hearings on requests for relief may not be conducted routinely unless requested or unless required by an applicable Bankruptcy Rule. When applicable, notice of a hearing may be combined in one Document with the request for relief, provided that the title of the Document indicates that such notice is contained therein. If the Court orders a hearing, the party requesting the relief is responsible for serving notice of the hearing date and time on all other interested parties and filing a certificate or affidavit of service in compliance with Local Rule [9007-1.D](#). Any request for

continuance of a hearing or trial must be made in writing and, unless otherwise allowed by a Judge, filed with the Court at least twenty-four (24) hours prior to the scheduled date of the hearing or trial.

Upon filing an application for expedited consideration of a request for relief, a movant shall contact the assigned Judge's Courtroom Deputy Clerk by telephone or email to advise the Court of the application and receive further direction from the Court with respect thereto.

L. Orders.

1. Proposed Orders. If no objection or other response to a request for relief has been filed by the deadline for such filing, a proposed order should be uploaded to the Court's ECF System within thirty (30) days after expiration of the deadline to file an objection or other response to a request for relief. A proposed order must:

a. State that “findings of fact are based upon representations of counsel” at the end of the order. See Local Form 9013-1.L;

b. Contain a description of the relief being granted in the title of the order;

c. Certify to the Court: the date and manner of service of the request for relief and the persons and entities upon whom service was made; the applicable response period and the date of its expiration; and the lack of any timely response;

d. Include an approval for entry of the moving party and signature with the information required by Local Rule 9004-1.D, E and F;

e. Include a statement that the prevailing party will effectuate service of the order on all parties in interest unless otherwise ordered by the Court or the order dismisses a bankruptcy case. See Local Rule 9013-1.L.3; and

2. Agreed Proposed Orders. All agreed proposed orders must include approvals for entry of all interested parties and signatures with typed name, address, telephone number, email address and, if an attorney, a state bar number (See Local Rules 9004-1.D and 9004-1.E). An agreed order approved for entry only by the person submitting it may be acceptable, in the Court’s discretion, provided it contains, or is accompanied by, that person’s certification that all interested parties have consented to its entry.

3. Service of Orders. Unless otherwise ordered by the court and except for orders dismissing a bankruptcy case, it is the duty of the prevailing party to serve all parties in interest entitled to notice of an order with a file-stamped copy of the order electronically, or by mail, and file an appropriate certificate or affidavit of service in compliance with Local Rule 9007-1.D.

5. Ex Parte Orders. In each case of a request for relief presented *ex parte*, no order shall be entered unless it is based upon an affidavit. The affidavit shall show cause for the *ex parte* action requested and for the specific relief requested and shall state whether the party has made a previous *ex parte* request for relief in the case. In addition, the person seeking the relief must certify that the opposing party either consents, objects, or despite diligent efforts made in good

faith, specifying such efforts, neither counsel for the party against whom the relief is requested, nor the party, in the event such party is not represented by counsel of record, could be contacted and advised that the relief would be sought. The movant must state the applicable statute, rule or other authority authorizing the *ex parte* relief requested.

6. Stale Orders. If an order is not uploaded within thirty (30) days of expiration of the applicable response period, the motion may be stricken by the Court.

RULE 9014-1 CONTESTED MATTERS

Unless otherwise provided in an order of the Court, any party wishing to present evidence at a scheduled hearing on a contested matter must file and serve on all parties in interest, pursuant to Local Rule [9007-1](#), a notice listing: a brief description of the exhibits to be offered; the names of all witnesses intended to be called, including designating as an expert witness any witness who the party shall offer as an expert; a brief description of proposed testimony for each witness; and an estimated length of time to present the evidence and argument. Such notice must be filed no later than seven (7) days after the initial response deadline for the motion, unless otherwise ordered by the court. Upon review of this notice, the Court may schedule a pre-hearing conference and direct any rules governing adversary proceedings to be applied to the matter. Presentation of exhibits is further subject to Local Rule [9017](#). Failure to comply with this Rule may result in exclusion of the evidence or such other sanction as the Court deems appropriate in the circumstances. See Rule [9017-1](#) for further obligations regarding evidence.

RULE 9016-1 SUBPOENAS

Subpoenas must be prepared and issued pursuant to Bankruptcy Rule [9016](#).

RULE 9017-1 EVIDENCE

A. Hearing Not Held. If a request for relief is based upon facts not appearing of record, the Court may, at its discretion, order the filing of affidavits and determine the matter without a hearing. See Bankruptcy Rule [9017](#).

B. Time to File and Serve Exhibit and Witness List. See Local Rule [9014-1](#).

C. Marking and Disclosure of Exhibits. All exhibits which are intended to be offered in evidence at a trial or hearing must be marked for identification and provided to opposing counsel and three (3) copies to the Court (which includes one for the witness) at least five (5) business days prior to the trial or hearing, or as may otherwise be ordered by the Court. Parties may exchange exhibits electronically or by another agreed method but shall provide printed copies of exhibits in notebooks to an opposing party if requested. Exhibits provided to the Court must be contained in a notebook or notebooks and be sequentially numbered in the lower right corner and tabbed with dividers. The notebook(s) must be labeled with the case name and number and the respective party's name, and the exhibit numbers contained therein. The notebook(s) shall also contain an index of the exhibits contained therein.

D. Bulky or Heavy Exhibits. The Court may provide for preservation of evidence as justice may require; however, exhibits will not be docketed. Evidence such as objects, exhibits, diagrams, charts, and drawings on a chalkboard may be photographed under the supervision of the Court. The Clerk shall dispose of exhibits consistent with Local Rule [5003-1.A](#).

E. Legibility. All evidence proposed to be used or introduced in a hearing or trial must be clearly legible.

RULE 9019-1 COMPROMISES AND SETTLEMENTS

A motion filed by the trustee or debtor-in-possession pursuant to Bankruptcy Rule [9019](#) to approve the compromise or settlement of controversies shall be filed in the bankruptcy case and shall be served on the debtor, debtor's counsel, the trustee, the United States Trustee, creditors and parties who have requested notices in the case unless otherwise ordered by the Court. A motion filed under this Local Rule shall describe with specificity the contentions of the parties and the basis and terms of the settlement. The motion shall include in the title "and Notice of Opportunity for Hearing and Notice of Hearing," and the body of the motion shall contain the following statement:

A. Electronic Filers. Requesting and receiving a password from the Clerk to participate in the ECF System shall constitute a request and consent to receive service by electronic means pursuant to Bankruptcy Rule [9036](#).

B. Unrepresented Parties. APPENDIX A-1

UNITED STATES BANKRUPTCY COURT WESTERN DISTRICT OF OKLAHOMA

STYLE GUIDE FOR ELECTRONIC CASE FILING

This Style Guide contains the preferred style practices for all Participants of the Court's Electronic Case Filing (ECF System) for the United States Bankruptcy Court for Western District of Oklahoma (Court). Style consistency is the key to efficient searches in the ECF System since successful queries require very exact matches to search data including punctuation and abbreviations.

1. ADDING PARTIES

When adding new parties to the ECF System, the information must conform to standard punctuation and spacing rules listed in this Style Guide.

A. SEARCHING FOR PARTIES

Before adding any party to a case, make sure you do a thorough search of the ECF System for the party using various "search clues." If the ECF System finds the correct party name with a search, select it to help minimize different versions of the same party name in the ECF System. Even something as simple as "United States" can cause ambiguity if everyone is entering it differently. For example, "UNITED STATES", "U.S.", "US", "USA", "U.S.A.", or "U.S. of A."

B. SEARCH STRATEGIES

The ECF System requires exact text matches.

- i. When searching for debtors, the more search clues you provide, the more likely you are to find the exact person. For example, if you search for the last name of *Smith*, the ECF System may return a list of quite a few parties with that last name. However, if you search for the last name of *Smith* with the first name of *Eugene*, the ECF System may return a single party.
- ii. When searching for creditors, it may be necessary to conduct multiple searches. First, search for the creditor's entire name (ex., "World Communications"). If that is not successful, you can search for more broadly on part of the creditor's name (ex., "World Comm" or just "World").

- iii. When searching for a party, do **NOT** use an asterisk in the search criteria (ex., Villa*). **Using an asterisk will slow down the entire ECF System.**

C. ADDING DEBTORS

- i. Debtors must be added using the names and addresses as they appear on the petition or on the complaint.
- ii. If a debtor has a street address and a mailing address, the **mailing address** should be entered into the ECF System.
- iii. If a debtor has a title, add the title in the ***Party Text*** box. When entered this way, the party text will appear on the docket report following the name and separated by a comma.
- iv. Information must be entered in the ***SSN box*** or the ***Tax ID*** box even if the social security number for an individual debtor or tax identification number for a business debtor is unknown. Use the following formats for unknown numbers:

- SSN: 000-00-0000
- Tax ID: 00-0000000

D. ADDING PLAINTIFFS AND DEFENDANTS

- i. Plaintiffs and defendants must be added using names as they appear on the complaint. You may find the names when you search the database. If a name in the database is close to the one being added, accept the existing name in the database and correct the address, if necessary.
- ii. Do **NOT** add a title for plaintiffs or defendants.
- iii. If the complaint lists alias(es) for the plaintiff or defendant, add them separately using the Alias(es) button, do **NOT** add alias(es) as part of the last name.
- iv. Select the Plaintiff or Defendant ***party role***.

E. ADDING CREDITORS

- i. Add creditors to cases using names existing in the ECF System where possible.

- ii. The same creditor may be added to many different cases. Ideally, only one of each creditor should appear in the database. For example,

Ford Motor Credit Company may incorrectly be written as:

- Ford Motor Credit Co.
- Ford Motor Credit Corporation
- Ford Motor Credit Company, Inc.
- Ford Motor Company
- Ford Motor Credit Corp.

The name should be written as *Ford Motor Credit Company* in the ECF System. Having a long list of different names for the same creditor makes searching difficult and time consuming.

- iii. Do **NOT** add mailing addresses for creditors who have attorney representation. If a creditor is found in the ECF System with an address, delete the address fields before accepting the ***Party Information*** screen.
- iv. Do **NOT** add a title for creditors.
- v. Select the Creditor ***party role***.
- vi. Creditors added to the ECF System via the uploading of the creditor mailing list shall be formatted consistent with this Style Guide and [Local Rule](#) 1007-1.C.

2. STYLE CONVENTIONS FOR NAMES

Scope of Guidelines

These Guidelines, in conjunction with the [Bankruptcy Code](#), the [Federal Rules of Bankruptcy Procedure](#), and the [Local Rules](#) of Bankruptcy Procedure, contain the rules and procedures for Chapter 13 practice in this Court, and are applicable to all Chapter 13 cases. In case of a conflict between these Guidelines and the [Bankruptcy Code](#) or these Guidelines and the [Federal Rules of Bankruptcy Procedure](#), the [Bankruptcy Code](#), or if applicable, the [Federal Rules of Bankruptcy Procedure](#) shall control.

Filing of Pay Advices

In addition to the schedules, statements, and Documents required to be filed by Fed. R. Bankr. P. [1007](#), all debtors must file [Local Form 1007-1.D](#) with copies of the debtors' pay stubs, paychecks, and/or fixed income statements, if applicable, for the six months immediately prior to bankruptcy, or if applicable, copies of profit and loss statements for the two quarters immediately prior to bankruptcy within fourteen (14) days of filing the petition.

Section 341 Meeting of Creditors and Confirmation Hearing

Confirmation Hearings Concurrent with the Meeting of Creditors. The Court has determined it is in the best interest of creditors and Chapter 13 estates to confirm Chapter 13 Plans, and thereby commence payments to creditors, as early as is practicable. For these reasons, the Court has determined that at the conclusion of the Meeting of Creditors under 11 U.S.C. § [341](#), if there is no unresolved oral or written objection to confirmation, and no oral or written objection to confirmation at a date earlier than the date specified in 11 U.S.C. § [1324\(b\)](#), the Trustee shall submit the confirmation order to the Court for entry. The confirmation order will be entered by the Court, unless the Court determines the matter should be set for further hearing.

Notice of Concurrent Meeting of Creditors and Confirmation Hearing. All notices of the Meeting of Creditors will include notice of an opportunity for hearing on confirmation and will provide the deadline for the filing of written objections to confirmation and to the concurrent confirmation hearing. The notice of the Meeting of Creditors shall also specifically provide that if there are no objections to confirmation or to the concurrent confirmation hearing confirmation, or if all objections are resolved at the conclusion of the Meeting of Creditors, the Trustee will submit the confirmation order to the Court for entry.

Objections to Concurrent Confirmation Hearing. The deadline for objections to confirmation concurrently with the Meeting of Creditors is seven (7) days prior to the date set for the Meeting of Creditors. If any party objects to the concurrent confirmation hearing, the confirmation hearing will be continued no earlier than twenty (20) days and no later than forty-five (45) days after the date of the Meeting of Creditors.

Deadline for Objections to Confirmation. The deadline for the filing of written objections to confirmation is seven (7) days prior to the date set for the Meeting of Creditors. Any party who has not filed a written objection by this deadline, but desires to preserve its objection, may appear at the Meeting of Creditors and raise an oral objection. If an oral objection is raised at the Meeting of Creditors, the confirmation hearing will be continued no earlier than twenty (20) days and no later than forty-five (45) days after the date of the Meeting of Creditors. Any party raising an oral

objection at the Meeting of Creditors must still file a written objection not less than seven (7) days after the Meeting of Creditors.

Continuance of the Meeting of Creditors. The Trustee may continue or adjourn the Meeting of Creditors by oral notice given at the Meeting of Creditors, without further written notice to creditors. Continuance of the Meeting of Creditors will necessarily include continuance of any pending confirmation issues, and the deadline to object to confirmation and/or to expedited confirmation will be extended to the date that is seven (7) business days prior to the continued Meeting of Creditors. In any case in which a written objection to confirmation or to expedited confirmation is pending, or in which an oral objection to confirmation or to expedited confirmation is raised at the Meeting of Creditors, and any objection is not resolved by the conclusion of the Meeting of Creditors, the Trustee shall request the case be set for a hearing on confirmation before the Court.

Debtors Must Remain Current. Whenever a hearing on confirmation is continued, the debtor(s) must be current in their payments at all future confirmation hearings, or the case may be recommended for dismissal.

Standard Confirmation Order. The Court has adopted a standard confirmation order. The Court may amend the standard confirmation order from time to time as it deems appropriate. Any interlineations or changes to the standard confirmation order not approved by the Trustee require notice, a hearing, and approval of the Court to be effective.

Debtor is Responsible for Serving the Confirmation Order. Upon entry of the confirmation order, it shall be timely served by the debtor(s). The confirmation order shall be served upon all parties listed on the mailing matrix, all parties who have filed a request for notices, and the assistant United States Trustee, and a certificate of service shall be filed pursuant to [Local Rule](#) 9007-1.D.

Mortgages

Delinquent Mortgages Shall Be Paid through the Plan. All mortgages extending beyond the plan under which the debtor(s) is / are not current at the time the Chapter 13 petition is filed shall be paid through the Chapter 13 Plan. In addition, all mortgages that are subject to modification are to be paid through the Chapter 13 Plan and in full during the term of the plan.

First Postpetition Payments. For long-term mortgages paid under the terms of 11 U.S.C. § [1322\(b\)\(5\)](#), the first ongoing mortgage payment that comes due before the first plan payment is required to be paid shall be set up by the Trustee as an additional arrearage claim and shall be paid at the same rate of interest as is paid on the pre-petition arrearage claim pursuant to the confirmation order.

Proofs of Claims

Claim Required to Receive Distributions. To receive disbursement from the Trustee, a creditor must file a proof of claim in the case. If the claim is secured, evidence of perfection of the security interest must be attached to the proof of claim. If post-petition interest is sought, the proof of claim must clearly and conspicuously state the rate of interest. The Trustee will pay post-petition interest as stated in the confirmation order.

Serving Claims on Pro Se Debtor(s). If the debtor(s) is / are pro se, the creditor must serve a copy of the claim on the debtor(s) by U.S. Mail and file a certificate of service.

Claims in Converted Cases. Claims filed in the case prior to the conversion are deemed filed in the Chapter 13 case.

Attorney Fees

Effect of Ethics Rules. The Court's establishment of a presumptive ("no-look") fee in no way abrogates the attorney's obligations under Oklahoma Rules of Professional Conduct, Rule 1.5 to only charge a reasonable fee.

Attorney Compensation. All requests for fees or expenses by debtors' attorneys shall be approved by the Court. Attorneys may be compensated by either accepting the Presumptive ("no-look") Fee or by hourly billing. Attorneys seeking compensation by hourly billing shall file a fee application with time records in accordance with 11 U.S.C. § [330](#), Fed. R. Bankr. P. [2016](#), and [Local Rule](#) 2016-1.B.

Disclosure Required. Pursuant to Fed. R. Bankr. P. [2016\(b\)](#), debtors' attorneys must disclose any monies paid to them from any source on behalf of the debtor(s).

Pre-petition Retainers. Debtors' attorneys are permitted to accept a reasonable retainer prior to the filing of the petition. Retainers shall be deposited in the attorney's trust account and unearned retainers may not be withdrawn without an order from the Court. Unearned retainers are property of the bankruptcy estate.

Post-petition Retainers. Attorney's fees for post-confirmation services shall be paid through the plan unless ordered otherwise. A debtors' attorney shall not accept any payment for services or a retainer from the debtor(s), or from a third party, without first obtaining an order authorizing the fees and specifically permitting direct payment by the debtor(s).

Prevailing-party Attorney Fees. Attorney's fees sought by prevailing parties in contested matters or adversary proceedings will be limited as the Court deems appropriate where the party initiating the matter or proceeding has not made reasonable attempts to resolve the matter without the necessity of instituting the contested matter or adversary proceeding.

Presumptive Fee for Pre-confirmation Services. The debtors' attorney may be awarded a fee in the confirmation order up to \$4,000, inclusive of any retainer received pre-petition, without the necessity of filing a fee application. In addition, attorneys may receive an additional \$750 for motions to avoid lien filed preconfirmation. The attorney fee approved in the confirmation order constitutes compensation for fees and expenses incurred for **all** pre-confirmation services and nominal post-confirmation services. The attorney fee approved in the confirmation order shall be paid at a rate of up to \$400 per month or fifty percent (50%) of the monthly plan payment, whichever is less.

Nominal Post-confirmation Services. Nominal post-confirmation services include, but are not limited to:

1. Answering clients' general questions;
2. Corresponding with creditors and the Trustee;
3. Reviewing notices of claims filed;
4. Reviewing annual reports;
5. Submitting monthly reports in business cases;
6. Filing financial management course certificates;
7. Filing Suggestions of Death; and
8. Filing address change notices.

Presumptive Fee for Routine Post-confirmation Services. If requested in the pleading, an attorney fee of up to \$750 may be allowed without filing a separate fee application for routine post-confirmation services. Routine post-confirmation services include, but are not limited to:

1. Responding to and resolving a motion filed by a party other than the debtor(s) whether by agreed order or modification;
2. Filing a motion to modify other than to resolve a motion filed by a party other than the debtor(s);
3. Filing a motion to incur new debt;
4. Filing any other necessary motion;
5. Objecting to a proof of claim filed by a creditor; and
6. Filing a proof of claim on behalf of a creditor.

The fee constitutes compensation for services and expenses related to the matter and will be awarded upon completion of the matter. Unless the order awarding the fee states otherwise, the fee will be paid through the confirmed plan at the rate of up to \$125 per month, beginning in the month following entry of the order awarding the fee. For fee purposes, the following are considered to be one post-confirmation service:

1. A motion to modify filed in response to a motion to dismiss or motion for relief from the automatic stay and/or co-debtor stay;
2. Multiple objections to claims;
3. Multiple motions to avoid liens; and
4. Any multiple pleadings that are substantially similar and filed at the same time.

Cases Dismissed or Converted Prior to Confirmation. Orders dismissing or converting a case prior to confirmation may allow an attorney fee up to \$2,000 without filing a separate fee application. This fee may consist of any pre-petition retainer paid by the debtor(s). **Attorneys shall refund any unearned portion of the retainer.** Funds held by the Trustee after payment of adequate protection payments and approved administrative expenses shall be returned to the debtor(s) under 11 U.S.C. § [1326\(a\)\(2\)](#) unless ordered otherwise. The Court cannot approve attorney fees for services in a Chapter 13 case after a case is dismissed or converted.

Cases Converted Post-Confirmation. An attorney may accept from the debtor(s), without filing a separate fee application, an attorney fee of up to \$1,000 for services necessary to convert the case from one under Chapter 13 to one under Chapter 7, 11, or 12. The attorney shall file a revised [Official Form 2030](#). This fee constitutes compensation for fees and expenses relating to the conversion.

Reduction of Compensation for Neglect. If, due to delay caused by neglect of the debtors' attorney, the case is not ready for confirmation at the conclusion of the Meeting of Creditors or at the conclusion of any continued confirmation hearing, the Trustee may recommend that the attorney's fee may be reduced.

Adequate protection

Unless ordered otherwise, adequate protection payments provided for in 11 U.S.C. § [1326\(a\)](#) will be paid through the Trustee and will be paid in accordance with the following procedures:

Paid Monthly. Adequate protection payments will be paid monthly.

Motion Required. Adequate protection payments will not be paid on a claim where the claim is secured by real property or is not attributable to the purchase of the personal property unless an order is entered by the Court after the filing of a motion. [[Local Rules](#) 9007-1, 9013-1, and 9014-1 apply to motions seeking adequate protection].

Motion Not Required. Adequate protection payments will be paid on a claim where the debt is attributable to the purchase of the personal property.

Priority. Adequate protection payments shall be paid prior to the payment of outstanding attorney fees. If there are insufficient funds on hand to pay all adequate protection payments owing to creditors as well as the fee to the Trustee, the Trustee will reduce the distribution to each creditor on a pro-rata basis.

Calculation of Adequate Protection on Vehicles. Adequate protection will be calculated as 1-2% of the value of the vehicle, unless otherwise ordered by the Court.

Amount to be Paid. Unless ordered otherwise, the Trustee shall make adequate protection payments in the amount identified in Section C.1. of the Chapter 13 Plan [[Local Form 3015-1](#)].

Objections to Adequate Protection. A creditor who opposes the adequate protection amount proposed by the debtor(s) must file a written objection. It is the responsibility of the creditor filing the objection to ensure the issue is heard in a timely manner and that any order addressing the adequate protection amount to be paid to the creditor is entered prior to any order of dismissal, notice of conversion, or order of conversion. If the order is not entered in a timely manner, the funds subject to the order may be paid to other parties.

Adequate protection payments in dismissed and converted cases. Adequate protection payments in dismissed and converted cases shall not be paid to any creditor that has not filed a proof of claim with proper verification of security attached or provided, within five (5) days of the filing of any order of dismissal, notice of conversion, or order of conversion. Additionally, no payment shall be made to a creditor in a confirmed case until a proof of claim has been filed.

Surrender Collateral. Adequate protection will not be paid where the Chapter 13 Plan provides for the surrender of the collateral securing the debt. If a Chapter 13 Plan is amended to provide for

the surrender of collateral that was to be paid through the plan under an earlier plan, adequate protection payments shall be paid only through the month in which the amended plan is filed. If the amended plan is confirmed, the confirmation order shall provide for the payment of the adequate protection amount due through and including the month in which the surrender was proposed.

Insurance Required. Debtor(s) shall maintain full coverage insurance on all property serving as collateral for a claim or forming the basis of any liquidation value and shall provide proof of such insurance upon request by any interested party.

Property of the Estate

Repossessed Vehicles. Any vehicle owned by debtor(s) that has been repossessed pre-petition but not yet retitled is presumptively property of the estate. If the debtor(s) desires to have a repossessed vehicle returned, the debtor(s) must provide for the creditor's claim in the plan. The Court strongly encourages debtors and creditors to reach an agreement for the return of repossessed vehicles without the necessity of filing a motion.

The Automatic Stay

Relief from the Automatic Stay. Hearings on Motions for Relief from the Automatic Stay will be set on the Court's regular motion docket and will only be set upon the timely request of the objecting party. Hearings will be set within the requisite thirty (30) day period; however, the parties may agree to treat the first hearing date as a preliminary hearing and continue the motion for a final hearing. [[Local Rules](#) 4001-1, 9007-1, 9013-1, and 9014-1 apply to motions for relief from automatic stay].

Payments on Collateral. The Trustee shall not cease payments on a secured claim upon entry of an order granting relief from the automatic stay or upon entry of an order declaring there is no stay in effect unless an order of the Court specifically provides for such cessation of payments. Once collateral has been repossessed and sold, the creditor shall promptly amend its secured claim to reflect the receipt of sales proceeds. In the event that the secured claim has been overpaid, the creditor shall promptly return such overpayment to the Trustee.

Comfort Orders. The Court is willing to enter orders declaring there is no stay in effect (a "comfort Order") upon application by a party-in-interest attesting to the facts under which the applicant believes there is no stay in effect, unless the Court finds the application is without merit. If the application is filed by a secured creditor, the pleading must state whether the applicant believes its collateral is insured and the basis for its belief. Additionally, the application must be accompanied by proof that a security interest, if any, of the applicant has been properly perfected. Any order declaring the stay is not in effect must be promptly served by the applicant on the debtor(s), debtor's counsel, and all other interested parties.

Pending Motions to Extend or Impose the Automatic Stay. An application requesting a comfort order may not be filed if there is a pending motion to extend or impose the stay.

Fourteen-day Stay. Unless provided otherwise, any order declaring the automatic stay is not in effect must specifically provide that no action based on the order may be taken for fourteen (14) days from the date the order is entered, except that collateral the applicant believes is uninsured may be repossessed. This 14-day period is to allow debtor(s) an opportunity to dispute the facts set

forth in the application and to ask the Court to reconsider the entry of the order. This period will also allow the Trustee and other interested parties to request reconsideration for cause.

Valuation

Cramdown of Claims Secured by Real Property. Valuation of claims secured by real estate shall be accomplished by filing a motion to determine value. [[Local Rules](#) 9007-1, 9013-1, and 9014-1 apply to motions to determine value].

Cramdown of Claim Secured by Personal Property. Valuation of claims secured only by personal property must be clearly and conspicuously indicated by checking the box in Paragraph 1 and in Paragraph 5.C.(2)(b) of the Chapter 13 Plan [[Local Form 3015-1](#)].

Plan Payments

Automatic Payments Required. Debtors shall make monthly plan payments by an automatic means unless the Court permits otherwise.

Debtors with Regular Wages. Debtors that receive regular wages from employment shall make plan payment by either an Employer Wage Deduction pursuant to 11 U.S.C. § [1325\(c\)](#) or via TFS E-Wage. Any order entered that authorizes the Trustee to institute a wage deduction will also provide that the Trustee may amend or terminate such wage deduction without further order of the Court.

Self-employed Debtors and Debtors without Regular Wages. Self-employed Debtors (independent contractors, 1099) and Debtors that only receive retirement or benefits (social security, VA disability, etc.) may make monthly plan payments by recurring payments via TFS ePay.

Direct Payments. Debtors that desire to make their payments directly to the Trustee must file a motion and obtain the Court's approval to make monthly payments by another means.

Debtors' Attorney's Obligation to Assist Debtors to Set Up Payments. Debtors' attorneys are expected to be familiar with various payment options and assist Debtors in setting up payments.

Existing Cases. For cases filed prior to the effective date of these guidelines, if debtors who have not agreed to make payments by employer wage deduction fail to make a regular payment under a confirmed plan, the Trustee is authorized, pursuant to the Order Confirming Chapter 13 Plan, to implement the use of the employer wage deduction provision of 11 U.S.C. § [1325\(c\)](#) without further notice, unless, prior to the default, the Trustee was advised in writing that the debtor(s) would prefer the Trustee move for dismissal of the case.

Plan Modifications

Modification of Confirmed Plans. Modification of a confirmed Chapter 13 Plan shall be by motion in accordance with 11 U.S.C. § [1329](#). Parties shall *not* file a new plan. The motion must state the reason for the modification and the specific modifications proposed, including the effect upon distribution to each creditor class should the modification be approved. Notice of the proposed modified plan is governed by Fed. R. Bankr. P. [3015\(h\)](#) and [Local Rules](#) 2002-1, 9007-1, 9013-1 and 9014-1. If the motion is filed after the claims bar date, notice may be limited to the

Chapter 13 Trustee, any party whose interest is affected by the modification, and creditors who have filed proofs of claim.

Current Income Information Required. FILING REQUIREMENTS: Documents required for a Subchapter V filing, which are the same as the requirements for a small business Chapter 11 filing, can be found at 11 U.S.C. § [1116\(1\)](#). See also 11 U.S.C. § [1187\(a\)](#).

SUBCHAPTER V TRUSTEE: The United States Trustee appoints a Subchapter V Trustee. The role of the Subchapter V Trustee is to oversee and monitor the case, to appear and be heard on specified matters, to facilitate a consensual plan, and to make distributions under a nonconsensual plan confirmed under the cramdown provisions.

SBRA RULES: Most of the Small Business Reorganization Act Rules are in the [Federal Rules of Bankruptcy Procedure](#).

ESCROW PAYMENTS TO SUBCHAPTER V TRUSTEE: The debtor shall submit to the Subchapter V Trustee installment payments of \$1,500 (or other amount as agreed between the debtor, the Subchapter V Trustee, and the office of the United States Trustee) to serve as a retainer and ensure payment of the Subchapter V Trustee's fees incurred during the case. The first installment shall be due within 30 days of the filing of the petition. Subsequent installments shall be made on or before the last day of each successive month. For example, if a Subchapter V case is filed on July 12th, (i) the first payment would be due on or before August 11th, (ii) the second payment would be due September 30th, and (iii) payments would continue in this manner until the Court has ruled upon the Subchapter V Trustee's final motion for compensation.

The Subchapter V Trustee shall return any excess funds to the debtor within thirty (30) days following entry of an order regarding the Subchapter V Trustee's final motion for compensation, unless otherwise ordered by the Court.

PLAN DEADLINE: The deadline for filing the Subchapter V Plan is set upon the filing of the case at ninety (90) days from the filing date. That deadline appears in the notice of electronic filing and the docket text for the petition.

341 NOTICE: The 341 date is set forth in the 341 notice.

STATUS CONFERENCE AND PRE-STATUS CONFERENCE REPORT: The date of the Status Conference, and the deadline to file the Pre-Status Conference Report, will be set and noticed by the Court. The debtor's pre-status conference report should only be filed using the "Pre-Status Conference Report" event in the "Other" category of Bankruptcy Events menu in the CM/ECF system. Do NOT use the more generic Status Report event.

The Bankruptcy Court for the Western District of Oklahoma developed a form for the Subchapter V Pre-Status Conference Report. See [Attachment 1](#) of these policies and procedures.

SCHEDULING ORDER: Debtor's counsel should submit to the Court a Stipulation and Consent Scheduling Order as soon as possible after the filing of the case upon consultation with the

U.S. Trustee's office. The Stipulation and Consent Scheduling Order will set the following dates and deadlines:

- Date by which the debtor must file applications to employ general bankruptcy counsel;
- Date by which the debtor must file applications to employ all other professionals;
- Date by which the debtor must file a motion for authority to use cash collateral;
- Date by which the debtor must file an application and submit a proposed order establishing a bar date for the filing of creditors' claims;
- Date by which the debtor must file objections to disputed claims;
- Date by which the debtor must file a proposed disclosure statement (if necessary) and a plan of reorganization;
- Date by which creditors must make an election under 1111(b); and
- Date on which an equity security holder or creditor whose claim is based on a security must be the holder of record.

Parties shall use the Stipulation and Consent Scheduling Order form. See [Attachment 2](#) of these policies and procedures.

SUBCHAPTER V PLAN: The Subchapter V Plan should be filed using the "Plan" event under the "Plan" Bankruptcy Event menu category in the CM/ECF system.

The following [Official Forms](#) were developed for small business Chapter 11 cases, and are NOT specific to Subchapter V Cases, but may be helpful to debtors' attorneys:

- [Official Form 425A: Plan of reorganization for small business under Chapter 11](#) (See [Attachment 3](#) of these policies and procedures for Suggestions for Completion of Bankruptcy Official Form 425A);
- [Official Form 425B: Disclosure statement for small business under Chapter 11](#); and
- [Official Form 425C: Monthly operating report for small business under Chapter 11](#).

CONFIRMATION HEARING AND BALLOTING PROCEDURES: Contemporaneous with filing the Subchapter V Plan, the debtor's counsel should submit to the Court an Order setting deadlines related to plan confirmation, including:

- Date by which ballots accepting or rejecting the plan must be served (or received);
- Identification of the person to whom Ballots should be sent;
- Date by which written objections to confirmation must be filed;
- Statement that copies of any objections must be served on (i) counsel for Debtor, (ii) the Subchapter V Trustee, and (iii) the U.S. Trustee;
- Date and location set for the confirmation hearing (to be obtained from the Court); and
- Directing debtor to serve a copy of the plan and the Order to all required parties within three days of filing the plan.

Parties shall use the [Official Form](#) for Chapter 11 Ballots.

BALLOT SUMMARY: Pursuant to [Local Rule](#) 3018-1, Chapter 11 Plan proponents must prepare and file a summary of ballots received no later than three (3) business days before the hearing on confirmation of the plan. The ballot summary should be filed using the “Ballot Summary/Tabulation” event under the “Chapter 11 Events” Bankruptcy Event menu category in the CM/ECF system.

POST-CONFIRMATION ACTIONS: After the plan is confirmed, the debtor must file and serve a Notice of Substantial Consummation not later than fourteen (14) days after the confirmed plan is substantially consummated. See 11 U.S.C. §§ [1101\(2\)](#) and [1183\(c\)\(2\)](#).

The Notice of Substantial Consummation should be filed under the generic “Notice” event found under the Bankruptcy Event “Notices” menu category in the CM/ECF system.

Pursuant to [Local Rule](#) 3022-1, debtor’s counsel must file and serve a Chapter 11 Final Report and Motion for Entry of Final Decree ([Local Form 3022-1](#)) as soon as practicable after entry of an order confirming a plan of reorganization. The final report should be filed using the “Chapter 11 Final Report and Account and Motion for Final Decree” event under the “Chapter 11 Events” Bankruptcy Event category in the CM/ECF system.

EFFECTIVE DATE: These Chapter 11 Policies and Procedures for Chapter 11 Subchapter V Cases take effect on February 1, 2025.

SUGGESTIONS FOR COMPLETION OF BANKRUPTCY OFFICIAL FORM 425A (PLAN OF REORGANIZATION FOR SMALL BUSINESS UNDER CHAPTER 11)

Page 1, Paragraph C:

The projections must run for the life of the plan, i.e., if it is a 5-year plan the projections must run for five (5) years. All projections should be consistent with the plan's treatment and payment of claims. Projections should include a separate line item for payment of each bankruptcy administrative claim and highlight any assumptions that are not in accord with past experience. See Plan Projections template, next page.

Page 2, Article 2:

Each class should state the approximate amount of the claims contained in that class. Unless there is a reason to do otherwise, each secured creditor should be placed in its own separate class.

Page 2, Article 3.02:

The plan should contain an estimate of the administrative fees through confirmation and provide for how and when those fees will be paid.

Page 3, Article 4 "TREATMENT":

Claim treatment should contain, at a minimum, the following information: when payments commence, the frequency of payment, the amount of each payment, and when it is projected that payments will terminate.
